Description :

Technical Specifications:

The Early Childhood Development Kit with 43 components packed in 1 lockable metal box.

The kit is designed to be used by 50 children (aged 0 to 6) at one time and is suitable for indoor and outdoor use. In addition, the kit provides water and sanitation items for the improved health and awareness of children. The kit aims to provide a range of activities to encourage the development and social interaction of children (playing, story-telling, numeracy, etc.) with materials also provided for caregivers.
