Product Name :

Microslide Body Defences Against Infection

Product Code :

SLE/PS/96

Description :

Microslides are sets of 8 related 35mm images as photographed through a microscope to be viewed through a Microslide Viewer.

Accompanied by a detailed text folder designed to stimulate, inform and question the students about the topic.

Arrows and callouts help the students locate important features being studied.

Each text folder has a handy pocket to store the Microslides.
