Product Name :

Nervous System Model

Product Code :

SLE/A/167

Description :

Nervous System Model includes a full-colour 600 x 450 mm markable model of durable vinyl and an activity guide with background information, basic understandings, teacher-developed activities, a glossary, a key to model structures, colour transparencies and a blackline master.

Includes a close examination of the human brain with a removable transparent overlay defining the brain lobes.

The model illustrates the structure of the central and peripheral nervous systems.

Diagrams of the model illustrate locations of the brain, spinal cord and spinal nerves, dendrites, axons and synapses.
