Description :

Stand for 1200mm Fume Cabinet (Product Code: SLE/LI/26) is a mobile support frame used to hold a 1200 mm fume cabinet or fume hood at a usable height in school, college and research laboratories. Labs that lack a spare bench, or that want to move a fume cabinet between rooms, use this piece of laboratory furniture, which is built from powder-coated aluminium and rolls on four braked castors. It is supplied by **Jain Scientific Equipments Pvt Ltd (ScienceLab)**,Ambala, India.

Key Details

Parameter	Detail
Designed for	1200 mm fume cabinets (fume hoods)
Frame	Powder-coated aluminium
Mobility	Four castors, each with a brake
Product code	SLE/LI/26
Supplied by	Jain Scientific Equipments Pvt Ltd (ScienceLab), Ambala, India

What Is a Fume Cabinet Stand Used For?

A benchtop fume cabinet needs a firm, level base at a comfortable working height beforestudents or technicians can use it safely. This stand provides that base without tying up bench space, and its castors let a department share one fume cabinet between laboratories or push it aside when the room is used for other lessons. The powder-coated aluminium frame has a finish that is easy to wipe down after practical work.

Before each session, roll the stand into position, apply the brakes on all four castors and check that it does not rock. Move it only when the cabinet is switched off and empty of chemicals and glassware, and keep cables and any ducting clear of the wheels. For ducted installations, confirm that the duct run allows for the stand's height before ordering.

What to Specify When Ordering

- The make or model and outer footprint of the fume cabinet that will sit on the stand.
- The approximate weight of the loaded cabinet, so we can confirm suitability.
- Whether you are ordering the stand with a new fume cabinet or for one you already own.

Supplier

Jain Scientific Equipments Private Limited, known to customers as ScienceLab, sources this fume cabinet stand and supplies it from Ambala, Haryana to schools, colleges, laboratory planners and dealers. Export shipments are handled under Importer-Exporter Code AAECJ8618A (DGFT), and the supplying company's GSTIN for vendor registration is 06AAECJ8618A1ZT.
