**Product Name :**

Solar Sunstick

**Product Code :**

SLE/PHY/224

## Description :

The Sunstick is a valuable learning toy that has been developed and tested for children.

It allows children from 6 years of age to learn about solar energy.

This allows them to develop knowledge of this important technology, discover and understand several natural phenomena.

The Sunstick offers a variety of uses, to keep children stimulated and interested.

The Sunstick encourages the imagination and creativity.

The combination of two regenerative resources, solar energy and wood, makes the Sunstick ideal for an ecologically aware playing environment.
