Product Name :

Minibeast Magnifier

Product Code :

SLE/PHY/324

Description :

Fantastic early years science bug viewers/magnifiers which are great for use in the school garden, rockpool, etc.

The Minibeast Magnifier allows children to observe living creatures using these hand held viewing pots with a magnification lid.

Also gives opportunity to convey the "Hurt no living thing" message by reminding children that they are observing living things that should not be harmed and let go once they have finished their investigating, preferably in the original habitat.
