Description :

It has been proven that the most effective way of killing germs, is using soap and water to wash your hands.

It also has huge cost saving benefits in comparison with other methods of hygiene.

Self-contained unit with easy-fill 45L storage tank, providing enough water for up to 225x 20 second hand washes.

Manufactured from 70% recycled plastic - lightweight and suitable for use in high footfall environments.

Grey water is drained into a removable collection drum.

Our self-contained unit, requires no plumbing or electrics and can be installed anywhere.

Each station comes with dispensers for soap, paper towel and a waste bin.

Giving you everything you need to maintain hand hygiene anywhere at any time.

Suitable for external/outdoor environments.

'Hands-free' water supply with foot operated tap.

Unit includes Soap dispenser, Paper towel dispenser, 25L Grey/waste water collection drum and waste bin.

Total weight – 25KG (not inc. water and consumables).

Dimensions: 620x1630x560mm (WxHxD).

Weight: 25kg (excluding water and consumables).
