Product Name :

Female Genitals

Product Code :

SCL291/0166

Image not found or type unknown

Description :

Female Genitals (Product Code: SCL291/0166) is a laminated wall chart used to teach the anatomy of the female reproductive system in secondary school, college and health education classrooms. Biology and health teachers use the 70 cm x 100 cm wall-mounted chart for units on human reproduction, puberty and reproductive health. It is made by **Jain Scientific Equipments Pvt Ltd (ScienceLab)**, an OEM manufacturer and laboratory equipment supplier in India, at its own factory in Ambala, within its range of biology teaching aids.

Specifications

Parameter	Detail
Topic	Female reproductive organs (female genitalia)
Type	Wall-mounted chart
Finish	Laminated
Size	70 cm x 100 cm
Used in	Laboratories and classrooms
Product code	SCL291/0166
Manufacturer	Jain Scientific Equipments Pvt Ltd (ScienceLab) — OEM
Country of origin	India (made in Ambala, Haryana)

What Is the Female Genitals Chart Used For?

The chart supports lessons that name the female reproductive organs, including the ovaries, fallopian tubes (oviducts), uterus, cervix and vagina, and explain their roles in producing eggs, fertilisation and pregnancy. Teachers also use it to introduce the menstrual cycle and to connect anatomy with the hormones covered in the endocrine unit.

A clear reference on the wall helps teachers handle reproductive-health topics factually and calmly, and gives students the correct terminology. Display it next to the companion male chart so the two systems can be compared in one session.

OEM Manufacturer

ScienceLab is the trading name of Jain Scientific Equipments Private Limited, the OEM that manufactures the Female Genitals chart at its own licensed factory at Saha, Ambala, Haryana, India. Schools, nursing and health-education institutes, dealers and importers can buy it straight from the manufacturer, which keeps quotations simple. For additional copies or the matching male chart, just ask us. The ScienceLab company profile gives more background.
