Description :

Periodic Table of Chemical Elements (short version) (Product Code: SCI-310/112) is a laminated wall chart of the periodic table used to teach how the elements are arranged by atomic number into groups and periods, in school and college chemistry rooms. At 140 cm x 100 cm it is a large periodic table chart for schools that can serve as the centrepiece of a chemistry wall. It is made by **Jain Scientific Equipments Pvt Ltd (ScienceLab)**, an OEM manufacturer, at its own factory in Ambala, India.

Specifications

Parameter	Detail
Topic	Periodic table of the chemical elements
Version	Short version (as listed)
Format	Wall-mounted chart
Size	140 cm x 100 cm
Finish	Laminated
Setting	Classrooms and laboratories
Product code	SCI-310/112
Manufacturer	Jain Scientific Equipments Pvt Ltd (ScienceLab) — OEM
Country of origin	India (made in Ambala, Haryana)

What Is the Short-Version Periodic Table Used For?

The periodic table is the reference students return to more than any other in chemistry. It arranges the elements in order of atomic number so that elements with similar properties fall into the same vertical group, while each horizontal period corresponds to a new electron shell being filled. From it students read symbols and atomic numbers, follow trends such as metallic character, and predict how elements will react.

This chart is listed as the short version. In many syllabuses ‘short form’ means the traditional layout with eight main groups divided into sub-groups, while the long form spreads the elements across 18 columns; elsewhere ‘short’ simply means a condensed design. Because both usages exist, confirm the layout you need before ordering, then mount the chart at the front of the room where the whole class can see it in every lesson.

What to Specify When Ordering

- Layout: the chart is listed as the short version — confirm it matches your syllabus.
- Wall space: the chart is 140 cm x 100 cm, so check the area available.
- Quantity: one per chemistry room, plus copies for other laboratories if needed.
- Product code SCI-310/112 on your enquiry.
