

Product Name :

Winston Bridge Kit

Product Code :

SCL-253/024

**Description :****DESCRIPTION :-**

- Winston bridge kit consists of a DC digital voltmeter (0-20) V, a DC digital ammeter (0-10) A, a battery holder, a rheostat 5A, 10 Ω , 4 pieces of flexible cable 4 mm red, L = 50cm, 4 pieces of flexible black cable 4mm, L = 50cm, four pieces of flexible cable 4 mm red, L = 25cm, 4 pieces of black flexible cable 4mm, L=25cm, three batteries with dimensions 3-4,5 V and 5 switches for electrical circuit for current 0-3A and voltage 36V.
- Dimensions of the device (1000x100x50) mm and wire material Ni-Cr.
