**Product Name :**

Draining Rack

**Product Code :**

SCI-1202/01

## Description :

### DESCRIPTION :-

- This laboratory drying rack helps to dry test tubes, beakers, flasks, glassware and other laboratory supplies, allowing the containers to dry faster for the next use.
- There is a tray hole and a water outlet hose at the bottom to better prevent the liquid in the container from leaking out.
- Steel with polyethylene coating.
- With pegs.
- Used as free standing bench unit.
- Dimensions : Length- 80mm\*600mm.
