Product Name :

Cotton Chef's Textiles W. Double Oven Gloves

Product Code :

SLE/G/05

Description :

Cotton Chef's Textiles W. Double Oven Gloves (Product Code: SLE/G/05) is a two-handed insulated oven glove, joined by a centre strip, used to lift hot trays and dishes out of ovens in home-science rooms, catering-training kitchens and institutional canteens. It is made from heavy duty cotton with beige embroidered towelling, has steam barriers for added protection, and its two hand pockets sit a generous 51 cm apart. It is supplied by **Jain Scientific Equipments Pvt Ltd (ScienceLab)**, Ambala, a lab consumables supplier in India.

Key Details

Parameter	Detail
Type	Insulated double oven glove
Material	Heavy duty cotton
Finish	Beige towelling, embroidered
Protection feature	Steam barriers for added protection
Distance betweenpockets	51 cm
Temperature rating	Not listed — ask us before use with laboratory ovens
Product code	SLE/G/05
Supplied by	Jain Scientific Equipments Pvt Ltd (ScienceLab), Ambala, India

What Are Double Oven Gloves Used For?

A double oven glove links two insulated pockets with a padded strip, so the user slips both hands in and lifts a wide baking tray, roasting tin or casserole evenly with both hands. The 51 cm spacing between the pockets leaves room for large trays, and the continuous strip between them protects the forearms from brushing against the oven door or rack.

In schools and colleges, double oven gloves are part of the kit for food and nutrition, home-science and hospitality practicals, where students take trays in and out of ovens many times in one session. The steam barriers add protection when lifting lids off steaming dishes. Keep the glove dry, since damp cotton conducts heat much faster, and replace it when the padding thins. Institutions buying from a school lab equipment supplier in India often order double and single oven gloves together.

What to Specify When Ordering

- Number of double oven gloves required (one per oven or cooking station is common).
- Whether single oven gloves should be quoted as well.
- The type of oven and typical temperatures, so we can advise on suitability.

Supplier

Jain Scientific Equipments Private Limited supplies these double oven gloves under its trading name Scien
