Product Name :

Electric Water Bath

Product Code :

SLE/WB/01

Email : sales@scilabexport.com
Phone: +91-7082934803

Description :

Electric Water Bath (Product Code: SLE/WB/01) is a round, aluminium-bodied water bath with concentric rings, used to heat beakers, flasks and evaporating dishes gently over hot water in school and college laboratories. It has a 1 kW heater with automatic cut-out and a constant level device, and measures 145 x 200 mm (height x diameter). It is supplied by **Jain Scientific Equipments Pvt Ltd (ScienceLab)**, Ambala, a laboratory equipment supplier serving schools, colleges and dealers who need a laboratory water bath in India.

Specifications

Parameter	Detail
Body	Aluminium
Heater	1 kW, with automatic cut-out
Water level	Constant level device
Vessel support	Concentric rings
Size (height x diameter)	145 x 200 mm
Electrical connection	Connector plug with 1 metre of 3-core cable
Product code	SLE/WB/01
Supplied by	Jain Scientific Equipments Pvt Ltd (ScienceLab), Ambala, India

What Is the Electric Water Bath Used For?

A ring-top water bath is a common way to warm or evaporate liquids without an open flame. Remove rings until the opening matches the vessel, rest a beaker, conical flask or evaporating dish on top, and the hot water and steam heat it evenly — useful for evaporating solutions towards crystallisation, warming test tubes for food tests, or gently melting low-melting solids in school chemistry lab equipment sets.

The constant level device helps keep the water at a steady height during longer heating runs, and the automatic cut-out adds protection for the 1 kW heater, but the bath should still be checked during use. Connect it through the supplied plug and 3-core cable to a properly earthed socket, keep the cable clear of the hot body, and empty and dry the bath after use to limit scale.

Supplier

Jain Scientific Equipments Private Limited, which trades as ScienceLab, supplies this Electric Water Bath from Ambala, Haryana, India, to schools, colleges, laboratories and dealers. Quotations, repeat orders for extra benches and questions about spare rings or heaters are handled by the same ScienceLab team — ask us.

For vendor registration, the supplying company is Jain Scientific Equipments Private Limited (GSTIN 06AAECJ8618A1ZT, LEI 3358004HRD1JIVXKYX49). Read more on the ScienceLab profil
